- Manufactured from Chrome Vanadium Steel (CR-V), hardened, chrome plated and powder coated.
- Long arm with magnetic tip, another tip with tamperproof type.
- Green colour coded for easy identification.

**! WARNING**

- Do not operate for other usage except fasten screws.
- Do not overpower to fasten screws. Wrench slip or both wrench break and bolt fracture result by metal fatigue are dangerous.
- Do not overforce as neck part of ball point is relatively slim.
- Do not combine with tube for extension purpose.
- Forward catalog or brochure for detail if instructions noted in package are insufficient.
