

Sonic no.: 801206

Description: 6pc 1/2" Bolt twister (2, 3, 4, 6, 8, 10mm)

Application:

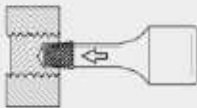

**Step 1.**

Use a drill to make a hole on bolt.

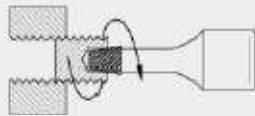

**Step 2.**

Take the drill out.

**Step 3.**

Choose a suitable bolt extractor, and then put it into the hole.

**Step 4.**

Use a wrench to work the bolt extractor anticlockwise in order to extract the damaged bolt. Then, the work is done.
