Sonic no.: 801305

Description: 5pc 1/2" Bolt twister (8, 10, 12, 14, 16mm)
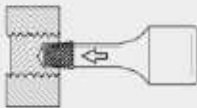

Application:

**Step 1.**

Use a drill to make a hole on bolt.

Step 2.

Take the drill out.

Step 3.

Choose a suitable bolt extractor, and then put it into the hole.

Step 4.

Use a wrench to work the bolt extractor anticlockwise in order to extract the damaged bolt. Then, the work is done.
