Crankshaft Pulley Holding Tool
VAG 1.2 | 1.4 | 1.6 TFSi | TSi Petrol

MADE IN
SHEFFIELD
Description

The 829123 has been designed to hold the crankshaft pulley while loosening or tightening the crankshaft centre bolt. The tool has a short handle for easy storage with a 1/2"D square to allow use with a power bar to extend the effective handle length. Double sided tool for tightening and loosening the fixing bolts.

• Equivalent to OEM 3415 and 3415/1
• Applications: Audi A1/A1 Sportback, Seat A2/A3 Cabrio, Sportback, Leon, Ibiza, Toledo, Alhambro, Altea/Altea XL, Cordoba, Skoda S1/S1 Sportback, Fabia II, Octavia II, Praktik, Rapid, Spaceback, Roomster, Yeti, Outdoor, Volkswagen Polo, Fox, Jetta, Bora, Eos, Passat, Beetle, Caddy, Caddy Maxi, Golf Plus, Golf VI/Cabrio, Golf VI Estate, Touran, Tiguan, Polo Classic/Estate, Golf IV/Estate, Polo Estate, GolfV/Estate, Scirocco

Our products are designed to be used correctly and with care for the purpose for which they are intended. No liability is accepted by Sonic Equipment for incorrect use of any of our products, and Sonic Equipment cannot be held responsible for any damage to personnel, property or equipment when using the tools. Incorrect use will also invalidate the warranty.

If applicable, the applications database and any instructional information provided has been designed to offer general guidance for a particular tool's use and while all attention is given to the accuracy of the data no project should be attempted without referring first to the manufacturer's technical documentation (workshop or instruction manual) or the use of a recognised authority such as Autodata.

It is our policy to continually improve our products and thus we reserve the right to alter specifications and components without prior notice. It is the responsibility of the user to ensure the suitability of the tools and information prior to their use.
